During Presentation of C<sup>3</sup> Net Assessment  
Final Report

1. The final report of the interagency net assessment of US and Soviet command, control, and communications (C<sup>3</sup>) systems will be presented to the World-Wide Military Command and Control Systems (WWMCCS) Council on 24 March. The DCI will be invited by memorandum from Mr. John Stenbit, Executive Secretary of the Council, to attend the presentation. It would be useful for us to either brief the DCI or his alternate, or to present them with relevant reading materials prior to the meeting on 24 March.

The new Council Chairman, Deputy Secretary of Defense Duncan, has not yet established guidelines for attendance; but, previously only principal deputies were invited as alternates, and then only by negotiation with the Deputy Secretary's executive assistant.
